O R D E R:

The Director of Agriculture, Madras has reported that while settling the accounts of hire purchases finally and relinquishing the rights of Government in favour of ryots under the Hire Purchase scheme, there were instances of short collections of penal interest due on the belated payment of instalments ranging from 3 pies to one Rupee and also cases of excess collection of penal interest from one anna to Rs.5/- and over. These excess and short collections were due to the fact that the purchasers make direct payment in the Treasuries without taking into account the actual sum due to the Government. As it is not worthwhile to undertake correspondence with the parties to refund or recover these small amounts and also to save much time and labour in such simple and unimportant matters the Director of Agriculture has proposed that recovery of short collection of penal interest upto a maximum of Rupee one be waived and that refund of excess collection of penal interest upto a maximum of Rs.5/- be ignored. The Government accept the above proposals of the Director of Agriculture.
